4. RESPONSIBILITIES OF THE BOARD AND NOMINATING COMMITTEE

The Board and Nominating Committee shall be directly responsible for conducting assessments on the fitness and propriety of directors and making decisions on their appointments.

Based on the high-level and baseline considerations outlined in Clause 3 above, the Board and Nominating Committee may discuss and determine prescriptions and specifications based on its specific circumstances, needs and requirements, such as specification on the minimum years of experience needed that a candidate must have as a director to be considered for an appointment to the Board. These considerations should be periodically assessed and reviewed by the Board and Nominating Committee to ensure their relevance and alignment with the organisation needs and structure.

5. THE ASSESSMENT

The fit and proper assessments on each director within the scope of this Policy shall be conducted by the Company prior to initial appointments and at regular intervals of at least annually or whenever the Company becomes aware of information that may materially compromise a director's fitness and propriety.

The Company will consider the factors set out in Clause 3 above in assessing a director's fitness and propriety. The factors shall be assessed individually, as well as collectively, taking into account their relative importance. Failure to meet one factor on its own does not necessarily mean failure to meet the fit and proper criteria. The Company will consider the specific circumstances surrounding a director's failure to meet specific factors, such as the lapse of time since the occurrence of events, other contributing factors and the significance of the event from the perspective of potential risks posed to the Company.

The Company will exercise the assessment objectively in the best interests of the Company and the sound conduct of the Company's business. In conducting the assessment, the Company will consider whether there have been material changes in the nature or scope of the responsibilities assumed by a director in which higher standards of competence or judgement are required in order to properly perform the duties associated with the said position.

The Nominating Committee will assess each person for a new appointment or re-appointment of Directors based on the criteria set under Clause 3 before recommending to the Board for approval.¹

For the appointment of new Director, the person is required to complete the Director Information Questionnaire.²

6. NON DISCLOSURE OF SENSITIVE AND CONFIDENTIAL INFORMATION

The results of the assessments are part of the Company's internal documents and shall not be disclosed or provided to any other party.

7. REVIEW OF THE POLICY

The terms of the Policy shall be assessed, reviewed and updated by the Board, where necessary in accordance with the needs of the Company, the MMLR LR, the Malaysian Code on Corporate Governance and/or any other regulatory requirements.
